*“Quotes”*

*“Great tunes, tight band, and some serious swing.”*

**-B.D. Lenz, guitarist/composer/producer**

*“I really dig this album! The original compositions are creative and fun with strong soloing, creative lines, and excellent interplay throughout. Jack’s bari is rich and contrasts beautifully with the rhythm section as he uses the entire range of the horn.”*

**-Tom Tallitsch, tenor saxophonist; host of “The Modern Jazz Radio Show” on WWFM JazzOn2**
